Sample report is for illustration purposes only

Data submitted by you is echoed back on the report for convenience - this data does not appear on any other report.

Note: Coin Operated/Time Pay washes are valued at \$4/wash for comparative purposes only to estimate cycles since actual revenue per wash charge can vary significantly at the same site.

NOTE: The above report is a sample only. The data is not real and does not represent any actual participants.

Only your participant number appears on the regional quarterly reports to protect confidentiality of participants.

Quarterly reports are reported on a by location basis. One site may have multiple carwashes and bays reporting.

Totals on the quarterly report allow you to compare your performance to other participants in your region.
